PHILADELPHIA, Jan. 5th, 1846.

Mr. F. B. G. Kinsloe—Sir: I have tried the Arcanum Extract which you extolled so highly, and find it all, and indeed much better han you recommended it to be. Frevious to my taking the Arcanum, I was completely covered with blotches, no part of my body or limbs being \*xempted, and beade I was greatly afflicted with the Files. Before I had used its Arcanum one week the blotches began to disppear, and my piles to become easy. I am now in better health than I have been for a number of years, and all owing, I am truly convinced, to the us of Winer's Arcanum. I can concessituusly recommend it as one of the very best medicines for scrolidous affections or eruptions I ever heard of.

Yours, truly,
